

## Sovereign Harbour Community Centre Project

---

### PROGRESS UPDATE

19<sup>th</sup> January 2018

---

#### Summary

Works are progressing and Vulcan advise they are working to achieve a completion date of 16<sup>th</sup> April 2018.

Cold and adverse weather conditions impacted on the completion of the ground beams. The engineers have advised that the steelwork can now be erected next week.

Walkers have now completed the works to the roadway
