The Chairman,  
Sovereign Harbour (Sea Defences) CIC  
Number 22  
Mount Ephraim  
Tunbridge Wells  
Kent  
TN4 8AS

29 January 2019

Dear Chairman

We write to you on behalf of the members of our Association paying the annual Sovereign Harbour rentcharge to request that you examine the possibility of making the following improvements to the administration of the rentcharge.

1. Increase the stated period for payment from 14 days to 28 days.
2. Examine providing an option to pay the rentcharge by instalments (say half-yearly or quarterly).
3. Work with Premier Marinas and Pevensey Coastal Defence Ltd. to provide more detailed information to support the expenditure amounts - the level and extent of such detail to be discussed and mutually agreed.

These improvements would be very much welcomed by our members, especially as the annual payment falls due so soon after Christmas; and in this digital age we believe that it may be possible to introduce them with very little cost implications. Such improvements, if possible, would certainly improve the standing of the CIC in the community it serves.

We look forward to hearing your views on these requests.

Yours sincerely

SHRA Secretary
