

At their first Meeting of the New Year, President Gill Nokes welcomed 67 Members and 7 Guests to a busy afternoon. She reminded the Ladies about future outings – a coach outing to the V&A Museum and Harrods on the 21st January and a Theatre Trip to see “Sister Act” at the Congress Theatre on the 2nd February. She has also arranged Afternoon Tea on the 26th March at the Langham Hotel (to include a ‘Bring and Buy Sale’) and a possible trip to Goodwood for Ladies Day in July.

The Federation’s AGM is on 28th March at the Congress Theatre with speaker Katie Derham. The Harbour W.I. has been asked to supply the stewards for this event. So lots to keep everyone busy.

Programme Secretary, Jacquie Frost, then introduced the speaker for the afternoon - her daughter Jenny Horridge who is the Conference Manager with Eastbourne Borough Council. Jenny gave a very interesting talk about the history of Eastbourne. As an amateur historian, she has researched the town back to before it was a town! It didn’t become a town until 1883. The Duke of Devonshire [then known as the Earl of Burlington] and a man called Henry Curry loaned local builders the money to build the town; then when they couldn’t repay the loans they ‘repossessed’! It was fascinating to hear how the town had developed. It was also good to hear that the seafront has remained unchanged since that time, surely an asset to the town.

The Craft Club met on the 16th January to discuss the South of England Show and whether to submit any entries to the competitions. It was decided that they would find out a bit more about it all this year and maybe enter next year! The Craft Club meets every 3rd Monday of the month in Pevensey Bay Baptist Church Hall. Next month it will be on the 20th February from 10am – 2pm when they will be making Scrapbook Boxes and Mini Books with Christine French to show them how!

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. At the meeting on 13th February, Harry Townsend will be giving a talk on “Kew Gardens”

A trip to London on the 21st January to visit the V&A Museum and Harrods was a great success for the Ladies from the Harbour W.I. Several of them met up at 'Frankie's Restaurant' for a very enjoyable lunch and a rest from the shopping! This was followed by a Theatre Trip on the 2nd February to see 'Sister Act' at the Congress Theatre – a great way to blow away the winter blues!

At the February Meeting, President Gill Nokes told the Ladies about future outings in the pipeline. There's to be an Afternoon Tea with a 'Bring and Buy Sale' on the 26th March at the Langham Hotel – always a popular event – and a weekend visit to the W.I.'s Denman College at the end of May. Gill asked the Ladies to consider an outing to Goodwood Races Ladies Day on the 2nd August – a chance to get the 'Glad Rags' out!

The meeting continued with the retired Head Gardener from Kew Gardens, Mr Harry Townsend, talking to the Ladies about the history of Kew Gardens and his role in the running of it. He was known as 'Harry the Wheelbarrow Man' from his many years in gardening. The gardens have evolved from their outset in 1720, as botanical gardens, to play many roles; from conserving plants in laboratories for medicines etc., to showing school children that coffee actually grows on trees! His enthusiasm made all the Ladies feel inclined to make another visit in the near future. Especially with the new Kew Train which has opened up the gardens to everyone.

The Craft Club met on the 20th February to make Scrapbook Boxes with Christine French. The intention was to make Mini Books as well, but time ran out! They will be made at a later session. Everyone was very pleased with the results. They all turned out so differently. The Craft Club meets every 3rd Monday of the month in Pevensy Bay Baptist Church Hall. Next month it will be on the 19th March from 2-4pm when Pat Chatterton will be showing them some Beading ornaments.

On the 27th February the newly established 'Diner's Club' met in Simply Italian to discuss the arrangements for the next few months. A small sub-committee was formed and they will report back to the next meeting.

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. At the meeting on 12th March, Fran Bennett will be giving an introduction and demonstration of "Tai Chi".

The Programme Secretary of the Harbour W.I., Jacquie Frost, knew only that the speaker for the April 2nd Meeting, Mr. Dudley Charlton, “sounded a very nice man” and needed at least 3 large tables for his talk. When he arrived they realised why! Boxes and boxes of assorted tools and artefacts kept arriving. There were things that used to be used for the laundry – a washboard, flat iron, ‘blue bags’ etc. For house cleaning – a carpet beater! Kitchen and cooking aids, such as a butter maker, cream maker, masher, bread board and apple peeler, amongst many other tools from a bygone age. His talk was entitled: “Grandparents”, ‘What they used and what we threw away.’ It made everyone realise how much easier our chores are today! Some of the Ladies could remember their Grandmothers and even their Mothers using a few of the items.

Gill Nokes, the President, told the Ladies that Margaret Atkinson’s pennant for the Federation Competition had been ‘Highly Commended’! It was one of only 9 out of the 80 entries. Margaret was presented with a framed Award Certificate. Gill then reminded the Ladies that the Diner’s Club would meet on May the 16th at the College restaurant after their first lunch on the 17th April at the Moorings. The 4th Monday Club also meets for the first time on 23rd April for a discussion on the Oscars and maybe some of the latest films – an opportunity to become a film critic! ‘Ladies Day’ at Goodwood on August 2nd is the venue for the Summer Outing with only one seat available. The Craft Club meets every 3rd Monday of the month in Pevensey Bay Baptist Church Hall. Next month it will be on the 21st May from 2-4pm when Christine French will be giving a Card Making Demo from start to finish.

The Meeting then finished with Gill making a presentation of flowers and a beautiful cake, made by Catering Secretary Pat Pearce and iced by Assistant Treasurer Christine Bateman, to a very special Lady. Rosalind Bainbridge was to celebrate her 90th Birthday on 6th April! Rosalind, with a twinkle in her eye, made everyone chuckle with a few little tales, especially about cyclists in Lycra suits!?!

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. Next month the meeting will be held on the 14th May. It is the Resolution Meeting followed by a light-hearted quiz with a ‘Jubilee’ theme. They are also going to have a special ‘Jubilee Tea’.

The Harbour W.I. welcomed the new Chairman of the Federation, Kathryn Hudson, to their special 'Jubilee' meeting on 14th May. Everyone dressed in red, white and blue and the tables were laid out like a street party by Catering Secretary, Pat Pearce and her team. It looked festive and fantastic! There was a delicious tea served, followed by a light-hearted Quiz with a Royal theme. As there were 6 bottles of wine for the winning team, the competition [and eaves dropping!] was anything but light-hearted!! The Quiz was devised by Carole Kilby and her judge's decision was final!

It was also the Resolution Meeting and the Ladies voted unanimously to lobby the Government for more Midwives.

The two new Clubs had very successful meetings. The Diner's Club went to the Moorings for lunch and the 4th Monday Club met in Simply Italian for a chat about films. The Diner's Club meet next on the 19th June for lunch in the Printer's Bar in Eastbourne. And the 4th Monday Club are having a Beetle Drive on the 28th May, again in Simply Italian.

The Craft Club met on 21st May to be shown how to make cards by Chris French. They meet every 2nd Monday at Pevensey Bay Baptist Church and next month, on the 18th June, Heather Hyrapiet will be demonstrating cupcake decorating.

The Ladies have shown an interest in a trip to Kew Gardens in July and the Outing to Ladies Day at Goodwood in August is fully subscribed.

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. Next month the meeting will be held on the 11th June. Mick Lynn will be giving a talk on 'Gardening for Bees'. No, we're not giving them trowels, it's to tell us what's best for them in the garden!

Eleven Ladies from the Harbour W.I. had a very pleasant weekend at Denman College at the end of May. It was called 'New Wave Weekend' to give Ladies who had never been to the College before an opportunity to experience a selection of the various workshops on offer. The weather couldn't have been better and the whole weekend was well organised and a lot of fun. They all came away saying 'When's the next one?' The winner of the Bursary, Judy Latter, gave a report to the next meeting on June 11th, encouraging them all to try to visit the W.I.College and it's beautiful grounds.

The meeting continued with Beekeeper, Mick Lynn, as the speaker for the day. He didn't bring his bees, as he promised he might, which a lot of the Ladies breathed a sigh of relief about! He related some fascinating facts about bees. Apparently, the Queen Bee lays around 1,000 eggs a day and ends up with approximately 40 to 50 thousand in a hive! Also, it takes the pollen from nearly 2 million flowers, with the bee travelling some 5,500 miles, to make one pound of honey. No wonder they say 'Busy Bee'! He asked the Ladies to grow flowers for the bees, who are declining in numbers, even if only in a window box. The flowers have to be 'flower shaped' and 'smelly'!

The Craft Club met on 18th June to make Mini Scrapbooks with President, Gill Nokes, showing them how. They meet every third Monday at Pevensey Bay Baptist Church. On the following day 24 members of the Diner's Club enjoyed a very pleasant lunch in the Printer's Bar in Eastbourne. Their next meeting will be on Thursday the 19th July in member Jan Field's garden for a tea in aid of Breast Cancer Care.

With a possible trip to Kew Gardens in the summer months and an outing to Goodwood Ladies Day on the 2nd August, the Ladies are kept well occupied. There's a prize of a bottle of wine for the best hat at Goodwood!

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. Next month the meeting will be held on the 9th July when the speaker will be Laurie Manser giving a talk on 'A Trip to Keukenhof Gardens and Floriade.'

The Harbour W.I. has reached a maximum for the premises where it is held, but visitors are welcome by prior arrangement with Frances Harrap on 01323 472649

At the July Meeting of the Harbour W.I., speaker Laurie Manser had planned to give a presentation on a trip to Keukenhof Gardens and Floriade. Unfortunately, because of a change of venue, the lighting conditions made it difficult to view his slides. Instead Laurie, with the help of his wife, gave a talk entitled “Memories of a Garden Boy” which was interesting, amusing and very enjoyable.

The Craft Club met on 16th July. They all brought their own craft to make and had a discussion on future projects. They meet every third Monday at Pevensey Bay Baptist Church.

Three days later 32 members of the Diner’s Club enjoyed a very pleasant cream tea in member Jan Field’s garden in aid of Breast Cancer Care. The weather stayed dry, if a little chilly, and members were able to enjoy Jan’s beautiful garden as well as the numerous home-made cakes and scones on offer! With a raffle and cake sale adding to the entrance fees, Jan was able to send a very healthy donation of £250 to Breast Cancer Care. The next Diner’ Club meeting is for lunch on the 21st August at Michelangelo’s Restaurant in South Street, Eastbourne organised by Maddie Francis and Tina Burnett-Evans.

The Ladies are looking forward to an outing to Goodwood Ladies Day on the 2nd August. They are all hoping this weather continues. There’s a prize of a bottle of wine for the best hat! A Coffee Morning at the ‘Grand’ is being considered for November and the Christmas Lunch has been booked at Cooden Beach Hotel for the 14th December.

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. Next month the meeting will be held on the 13th August when the speaker will be Derek Fulford ‘Justice of the Peace’ telling them about a day in the life of a JP.

The Harbour W.I. has reached a maximum for the premises where it is held, but visitors are welcome by prior arrangement with Frances Harrap on 01323 472649

The coach driver who took 46 Ladies from the Harbour W.I. to Goodwood Ladies Day on August 2nd was given the unenviable task of choosing his favourite hat! He chose a very pretty sage green fascinator worn by Pat Fontana. She was presented with a bottle of wine by President, Gill Nokes, who organised the trip. They all had a lovely time at the races. The weather was good enough for them to picnic and some Ladies actually came away having made a profit!

The August Meeting on the 13th was the first time an August meeting had been held and proved to be very popular. It started with the sad news that one of the founder members, Kate Burnett, had died. A minute's silence was observed.

The Speaker for the afternoon was Derek Fulford who gave an interesting and informative talk on 'A day in the life of a JP.' He had some amusing anecdotes about the judicial system. Apparently you can only be charged with being 'drunk and disorderly' if you fall down!? – so try to remain standing! He also told the story of a group of offenders who were instructed to do community service in a park, planting daffodils for the following Spring. They appeared to have made a good job until the flowers eventually came through – spelling 'F.... Off'!! On a more serious note, he explained how the JPs save the country a great deal of money, as everything goes to the Magistrate's Court before any decision to refer it on.

The Craft Club meet every third Monday at Pevensey Bay Baptist Church. They are having a demonstration of flower arranging by Pam Britton in September and are being shown how to make beading Christmas tree baubles with Christine French at October's meeting.

Their next outing is to the Langham Hotel for lunch on the 18th September and on the 24th September the 4th Monday Club is meeting in Simply Italian for a 'Music Quiz'.

The Ladies are looking forward to a Fashion Show in Debenhams on the 19th October, a Coffee Morning at the 'Grand' on the 8th November, and the Christmas Lunch has been booked at Cooden Beach Hotel for the 14th December. The Harbour W.I. is also hosting a carol service at St. Lukes Church, Stone Cross on the 7th December.

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. Next month the meeting will be held on the 10th September when a very popular speaker, Dr. Sheila Innes, will be returning to tell more about her time working for the BBC and chatting about 'Auntie's' adventures overseas.

The Harbour W.I. has reached a maximum for the premises where it is held, but visitors are welcome by prior arrangement with Frances Harrap on 01323 472649

Dr. Sheila Innes, the speaker at the 10th September Meeting of the Harbour W.I., joined the BBC over 50 years ago on a salary of 4 guineas a week and a free Radio Times! She had the job of making all the 'noises' or sound effects on programs such as 'Mrs. Dale's Diary'. Nearly 27 years later she had become the Controller of Education for the World Service with over 40 million listeners a year. Her stories about her travels around the world made a very entertaining and interesting talk. The afternoon continued with the Minutes Secretary, Wendy Roberts, telling the Ladies about her experiences in her role as a volunteer [Games Maker] at the Olympic Games. She described these as 'fantastic, amazing, inspiring and an opportunity she would not have missed'. Program Secretary, Jacque Frost, who attended an athletics session in the Olympic Stadium at the Paralympic Games, also described the amazing and wonderful experience she had watching the athletics and visiting the Olympic Park.

On the following Monday, the 17th September, the Craft Club met at Pevensey Bay Baptist Church. They were given a demonstration of flower arranging by Pam Britton and are being shown how to make beading Christmas tree baubles with Christine French at October's meeting.

19 Members of the Diner's Club met for lunch the next day at the Langham Hotel. It was a beautiful, sunny day and they were able to sit on the terrace overlooking the sea before a delicious lunch. Then on the 24th September the 4th Monday Club resumed their meetings in Simply Italian with a 'Musical Quiz' organised by Carole Kilby.

The Ladies are looking forward to a Fashion Show in Debenhams on the 19th October, a Coffee Morning at the 'Grand' on the 8th November, and the Christmas Lunch has been booked at Cooden Beach Hotel for the 14th December. The Harbour W.I. is also hosting a carol service at St. Lukes Church, Stone Cross on the 7th December, so plenty to look forward to.

The Harbour W.I. meets every 2nd Monday of the month in the Sovereign Suite of the Sovereign Yacht Club at 2pm. Next month the meeting will be held on the 8th October when it will be the 5th Birthday of the Harbour W.I. They are having a 'Birthday Tea' followed by speaker Pat Bryer giving a talk about Joyce Grenfell.

The Harbour W.I. has reached a maximum for the premises where it is held, but visitors are welcome by prior arrangement with Frances Harrap on 01323 472649. Unfortunately there will not be room for visitors at the 'Birthday Meeting' on the 8th October

At their 5th Birthday Meeting on the 8th October, Gill Nokes, President of Harbour W.I., told the Ladies that £105 had been made at the Bring and Buy they held at St. Barnabas Church on the 5th October in aid of Denman College. Gill went on to tell the Ladies that there were spaces on the Committee for a Social Secretary and a Minutes Secretary at next month's A.G.M.

Pat Pearce and the Catering Committee then treated the Ladies to a very tasty Birthday Tea. This was followed by 'Joyce Grenfell' – a fabulous rendition of monologues and songs performed by Pat Bryer. Everyone remembered 'Doing the Military Two-step' and the 'Nursery School' – with "George, don't do that!" and "Oh Sydney". It was a charming step back in time.

The Craft Club met at Pevensey Bay Baptist Church on the 15th November. Christine French showed them how to make Beaded Christmas baubles. They were all very different and very pretty. Next month they will carry on the Christmas theme making Gift Boxes, again with Christine French – a very busy lady as she's also Correspondence Secretary!

Debenhams hosted a Fashion Show for the Ladies on the 19th October, with Ladies from the Harbour becoming models for a day! This was followed by lunch at Pomodoro & Mozarella. A great way to spend a wet day! Then on the 22nd November the 4th Monday Club held a Scrabble afternoon in Simply Italian. Together with coffee and pastries, again a great way to spend a miserable autumn afternoon.

The Ladies are looking forward to a Coffee Morning at the 'Grand' on the 8th November and a Diner's Club meeting for lunch at The Marine on the 13th November, when all their Christmas decorations should be up. The Harbour W.I. is hosting a carol service at St. Lukes Church, Stone Cross on the 7th December and the Christmas Lunch has been booked at Cooden Beach Hotel for the 14th December, so plenty to look forward to.

Christmas came early for Ladies of the Harbour W.I. when, on the 13th November, 20 members of the Diner's Club went to The Marine pub in Eastbourne for lunch. The pub has a reputation for their Christmas lights – and it didn't disappoint. It was like Santa's Grotto! There are so many festive lights and decorations, there's no need for heating! They enjoyed a very pleasant lunch in delightful surroundings.

The previous day was the AGM, attended by 71 of the 108 members; a very good turn out considering the foul weather. All the existing committee stood for re-election apart from the Minutes Secretary, Wendy Roberts, who was thanked for her work over the last 3 years and given a plant by President, Gill Nokes. Four new committee members were also elected for the coming year and Gill Nokes agreed to carry on as President. She was presented with a President's Brooch in Sterling Silver from the members as a thank you for all her hard work. The meeting continued on a lighter note with Christine Bateman, assistant Treasurer, talking to the Ladies about a course she had attended at Denman College called 'Dressing With Style'. She demonstrated the different styles that we all come under using four Ladies who had also attended the course!

Coffee at the 'Grand' proved very popular again on 8th November. Nearly fifty members turned up for coffee and pastries and a good old 'chinwag'!

The Craft Club meet at Pevensey Bay Baptist Church on the third Monday of every month. Christine French carried on the Christmas theme by showing how to make Gift Boxes; and the Fourth Monday Club will meet in Simply Italian for an afternoon of 'Spot that Tune'.

The Harbour W.I. is hosting a carol service at St. Lukes Church, Stone Cross on the 7th December and the Christmas Lunch has been booked again at Cooden Beach Hotel for the 14th December, so a busy month coming up.

This Christmas was the turn of the Harbour W.I. to host a carol service for the Marshdown group of five W.I.s from the East Sussex Federation. They held it at St. Luke's Church at Stones Cross on a lovely bright winter afternoon on December 7th. Father James made everyone very welcome to his beautiful church and organist, Stevie Carpenter, accompanied the Ladies to many well-known and well-loved carols, followed by tea and mince pies!

The December 10th meeting of the Harbour W.I. was a continuation of the Christmas celebrations. Tea and delicious cakes were provided by the Catering Committee and magician, John Schofield, provided the entertainment. He spoke about all the famous magicians of the Victorian times and gave demonstrations of their different styles, varying from illusionists to escapologists! He performed card tricks and rope tricks and had the Ladies tying him up! [and escaping!] - and even had Ladies placing fingers in a mini guillotine for him to 'chop off'!! He kept everyone wondering "how did he do that?"

The festivities continued after tea with a surprise performance of a play written by member, Rosalind Bainbridge. Six very brave Ladies dressed as 'Fairies'!?! gave an amusing and entertaining ending to a lovely afternoon.

Christmas Lunch at Cooden Beach Hotel on the 14th December was excellent as usual with over 50 members tucking in to turkey and the trimmings. It seems to get better every year!

There will be no Craft Club or 4th Monday Club for December, but both will be on again in January. The Craft Club will meet at Pevensey Bay Baptist Church on 21st January to do Decoupage and the 4th Monday Club will meet on 28th January in Simply Italian for a book review discussion on Jenny Éclair's book – 'Life, Death and Vanilla Slices'.

New Social Secretaries, Beryl Lloyd-Jones and Pauline Hale also told the Ladies about trips and outings planned for the coming months – a Lunch Club at the Hydro on the 23rd January, an afternoon shopping trip to Shoreham in February, a matinee performance of 'Midnight Tango' on March 14th at the Congress and Afternoon Tea and a 'Bring and Buy' at the Langham Hotel on April 4th – always very popular!

January's meeting will be on the 14th January 2013, when Brian Freeland will look back at the histories of Eastbourne's Theatres.

The Harbour W.I. has reached a maximum for the premises where it is held, but visitors are welcome by prior arrangement with Frances Harrap on 01323 472649.
