

Happy Halloween

With Covid still posing a serious risk, now is not the time to knock on doors to 'Trick or Treat' – but we can still have some spooky fun in the Harbour this Halloween, and here's a suggestion you may like.

Let's get creative: stuff a spooky scarecrow, paint a devilish drawing, cut out a spooky spider or carve a petrifying pumpkin. There are plenty of things we could do on these long lockdown evenings - and great fun for children during the half term holiday.

Display your Halloween creations in your windows or gardens, then on **Saturday 31st October** residents and families can stroll around the harbour in search of eerie exhibits. Maybe award treats to your children for the exhibits they spot.

**We hope many residents will join in the fun and make this a
HAPPY HARBOUR HALLOWEEN!**
